EFC Honorary Fellow Award - Call for Nominations

Dear Madam, Dear Sir,

In 2013, in Estoril, following the STAC proposal, the BoA endorsed the creation of a new award, the EFC Honorary Fellowship.

The EFC Honorary Fellowship will be awarded to any individual of an EFC Member Society (European or International) for outstanding accomplishment in any of the areas of corrosion science and engineering and/or outstanding commitment to the European Federation of Corrosion and its committees and the support of its mission and activities.

Following its rules, this new Award is to be presented every year, at EUROCORR, the annual event of the European Federation of Corrosion, or whenever the BoA shall so determine.

It is now planned to award the next recipient(s) of the **EFC Honorary Fellowship** on the occasion of **EUROCORR 2019** which will be held in **Seville, Spain, from 9 to 13 September 2019**.

In order to facilitate the work of the Jury Members, an electronic version of the ***EFC-Awards Nomination Form***, which should be completed and returned for each proposal, can be download from the Award page of the EFC website: <http://www.efcweb.org/Honorary+Fellow.html>.

It would be appreciated if you could make use of the electronic form in order to facilitate the circulation of each proposal to the Jury Members.

I would be very grateful if you would give this matter your serious consideration and take the opportunity to propose candidates for this prestigious award.

We would like to draw your attention to the fact that the EFC Member Societies, the BoA and STAC members can nominate a candidate for the EFC Honorary Fellowship as stated in the Rules.

.../...

General Secretariats Offices of Germany and UK

.../.

We invite you to submit names of possible recipients by **February 20, 2019**. Each proposal should be accompanied by a motivation, brief curriculum vitae and a list of publications showing that the accomplishments and commitment of the candidate has been in conformity with the aims of the Rules for EFC Honorary Fellowship.

All proposals received by the EFC Paris Office before **February 20, 2019**, will be submitted to the Members of the Jury for their evaluation.

Looking forward to receiving your proposals in due time,

Sincerely Yours.

EUROPEAN FEDERATION OF CORROSION
General Secretariat - Paris Office
Mrs Pascale BRIDOU BUFFET

Nota: the Rules for the Honorary Fellow Award and the EFC-Awards Nomination Form are available on the EFC website: <http://efcweb.org/European+Corrosion+Medal.html>
