

Young-EFC proudly promotes:

# **CORROSION AWARENESS DAY**

## **24 APRIL 2020**

Supported by the European Federation of Corrosion (EFC)  
and the World Corrosion Organization (WCO)

# WHAT TO DO?

To organize an activity related to Corrosion Science and Engineering in your Research Institute, University, Industry, City, Province... to be launched in the frame of the Corrosion Awareness Day (24th April)

The activity can be focused on researchers, engineers, managers, students and/or the general public. The main goal is to raise awareness about corrosion and corrosion protection around the world.

We will help you to advertise and make visible your activity all around the world. We will post the event at the EFC and WCO website platforms. Furthermore, both official organizations will provide a certificate to the organizers of the event.

Examples of activities: dissemination talks, workshops, photo competition, articles in scientific & technical journals or in newspapers, exhibitions of corrosion experiments, Master class in Universities, webinars, etc.

# HOW TO DO IT? STEPS:

## 1. Before April 1st

Send the following information:

- A tentative title of the activity with a brief description (max. 100 words);
- Link to the event (if possible);
- The name and affiliation of the organizers (max. 3 people);

The information will be advertised on the EFC and WCO online platforms.

## 2. From April 24th to May 24th

Send the summary of the activity (max. 200 words) with a photo of the event. The summary will be posted online using the EFC and WCO platforms.

## 3. After May 24th

The organizers will receive a certificate validated by the EFC and WCO.

# WHY DO IT?

To increase the awareness of corrosion in our society and industries

To increase the visibility of your research, group, and expertise
